

User Sign In Guide

The diagram shows a dark green rectangular box containing two white input fields. The top field is labeled 'UserName:' and the bottom field is labeled 'Password:'. Red arrows point from each field to a corresponding text box on the right. The top text box explains that the username must be the one created during sign-up, with 'JSmith' as an example. The bottom text box explains that the password must be the one created during sign-up, with 'E.g #URecipe' as an example.

Entering a Username requires
<ul style="list-style-type: none">• The Username that was created from the Sign-Up page.• JSmith
Entering a Password requires
<ul style="list-style-type: none">• The Password that was created from the Sign-Up page.• E.g #URecipe

The diagram shows a dark green rectangular box containing a green rounded rectangular button with the word 'Submit' in black text. A red arrow points from the button to a text box on the right.

By selecting the Submit Button
